Waste Industrial and Automotive Batteries

We hereby grant approval to Aurelius Environmental Ltd to operate as an approved battery treatment operator for waste industrial and automotive batteries. Your operator approval number is BT1710484BT.

Your approval covers the following site and categories only:

Site name and address	Battery Category	Individual site approval number	Tonnage limit
Aurelius Environmental Ltd St Georges Works Bradleys Lane Tipton Dudley West Midlands DY4 9EZ	Industrial/Automotive	BS1710487BS	Over 150 tonnes

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved site only.

Your approval is valid from 10 January 2017 and ends on 31 December 2017, unless it is otherwise suspended or cancelled.

The approval allows you to treat and recycle waste industrial and automotive batteries which you accept at this site for treatment and recycling.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed or are likely to fail to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be a battery treatment operator or you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application.

This approval does not replace any other environmental authorisations that you may have for the site. You must continue to comply with these and other relevant legislation.

Please contact Rob Bridges on 0203 025 3845 if you have any queries.

Yours sincerely

William Smith
